Author of the song: Bob Marley

War – Bob Marley

Until the philosophy which holds one race
superior and another **inferior**
Is finally and **permanently** discredited and abandoned
Everywhere is war, me say war

That until there is no longer first class
And second class **citizens** of any nation
Until the colour of a man's **skin**
Is of no more **significance** than the colour of his eyes
Me say war

That until the basic **human rights** are equally
Guaranteed to all, without regard to race
Dis a war

That until that day
The dream of **lasting** peace, world citizenship
Rule of international morality
Will remain in but a fleeting illusion
To be **pursued** but never attained
Now everywhere is war, war

And until the ignoble and unhappy **regimes**
 That hold our brothers in Angola, in Mozambique,
 South Africa sub-human bondage
 Have been **toppled** , utterly destroyed
 Well, everywhere is war, me say war

War in the East, war in the West
 War up North, war down South
 War, war, rumours of war

And until that day, the **African** continent
 Will not know **peace** we Africans will fight
 We find it necessary and we know we shall win
 As we are confident in the victory

Of good over evil, good over evil, good over evil
 Good over evil, good over evil, good over evil
