

## FOOD SHARING

LEVEL:	B1
TIME:	60 MINS

### Activity 1: Lead-in

- Do you ever buy second-hand things? What? Why/Why not?
- Which of the things below would you get second-hand? Why?
- Which ones would you never buy second-hand? Why?

**Activity 2: Brainstorm**

- What do you usually do with your leftovers?

Throw away – Eat next day – Give somebody else – Wait till they go bad –  
 Make another meal out of them – Feed a pet – Compost them – Freeze them

**Activity 3: Discuss** – What do you think food sharing means? Use expressions from activity 2.

Food sharing = .....

**Activity 4: Watch the video.** What do food savers do with their leftovers? Choose from the expressions given in Activity 2. Answer: ***Give somebody else***

**Activity 5: Watch the video.** Mark the statements below T (true) or F (false).

Video: Al Jazeera English

[bit.ly/Foodsharing\\_video](https://bit.ly/Foodsharing_video)

They collect food what would otherwise go to waste.	T
Their primary goal is to help poor people.	F
There are many strict rules that food savers have to follow.	F
The food sharing service is available in German-speaking countries.	T
Rafael regrets that food sharing has only a local impact.	F
Shops and restaurants but not individuals can deliver leftovers.	F

**Activity 6: Discuss**

1. What's your opinion on the food sharing service?
2. Could it be popular in your town or city?
3. Would you register as a leftovers giver or taker or both? Why?
